LCMP Members,

Attached is the sponsor list from our 2019 horse show. I have included the member that secured the sponsor to give them an opportunity to contact them again this year. This list is always a good start for our sponsor drive. This list is not limited and we should try to add new sponsors this year.

Sponsor forms can be found on our website or can be picked up at monthly member meetings.

It is appreciated if you can text (847) 276-5280 or email when you have made contact with a sponsor and I will publish a weekly update. Refer to the list or contact me directly to check if someone has already made contact with a potential sponsor.

Sponsors were critical to the success of the show last year and we will be asking all members to submit a sponsor this year.
